A Note from the Principal

Welcome to November. It is hard to believe that the first two months of the school year have been completed. I want to thank everyone again for a great start to the school year. The BCP has held many family activities so far, our after school clubs and organizations are in full motion and we are turning the corner for our winter activities. The BCP is busy planning more fun for families, so stay tuned. Our Governance Board has added a new member to the team and a former Board member is returning. Brompton is headed in a great direction this year, all due to the efforts of the students, the staff, the parents, the volunteers and the entire Brompton Community.

I hope everyone enjoys their long weekends this weekend and next weekend as there is no school for Bromptons' students tomorrow, November 3 and next week Friday November 10, 2017. Please remember to check our school's webpage daily for classroom information, calendar updates and exciting news. I am looking forward to the start of second quarter on Monday. Have a great weekend and thank you for your continued support of The Brompton School.

Governance Board

Introducing the Board: Jen Nachtigal

Favorite food: Italian :)

Fun fact about you: I have eight children (four of which are Brompton students), my oldest is in college. This is my 14th year as a Brompton mom. My husband and I have been licensed Kenosha foster parents for eleven years.

Hobbies: I enjoy camping, swimming, traveling and hanging out with my kids.

Job on the Board: Board Chair/President

How long you have been a board member?: 7 years

What's your favorite part about serving on The Brompton Governance Board? I have the unique opportunity to have input into my children's education while supporting and guiding a school that I've come to love. I'm thankful to be representing you all on the Governance Board.

BCP

The next community meeting of the BCP is scheduled for Monday, November 13. The meeting will begin at 6:00 pm and, as always, free childcare will be available. We are hoping for record-breaking attendance this year and are looking forward to seeing lots of familiar faces at the meeting. We will have reports on final Fall Fest numbers, updates on possible signage for the front of the building, SCRIP updates, and more!

The first NASP practice for students in grades 4-8 will meet this Tuesday, November 7 from 6:00- 8:00 pm. All students must have a parent signed agreement form on file before they will be allowed to shoot. Please plan a few minutes at the beginning of practice to come in with your child and complete all necessary paperwork.

Just a reminder that all Art Clubs will meet on Monday, November 6. A huge thank you to all the parent volunteers who make this incredible after school activity a possibility for our students!

Save the Date! Our Annual Spaghetti Dinner Fundraiser is scheduled for Friday, February 23! Committees will begin forming soon for planning and tickets will go on sale after the holiday break. Please mark your calendars and plan to join us for a fun-filled evening! Stay tuned for LOTS more information coming soon...

Over the course of the next few weeks, we will take an opportunity to introduce one of our Executive Board members to you each week. Please know that these are positions elected by YOU to represent the parents and families of the school, as we work together to build community and support the learning opportunities of our Brompton students.

Name:

Billy Weathersby

Tell us About your Family/Children at Brompton:

My family includes my lovable wife Tamara, Cody (14), Hayley and Payton (11). Hayley and Payton are in 6th grade. Cody started Brompton in Kindergarten and graduated from 8th grade last year. Cody is now enrolled in high school at Central.

Position on the Board:

Treasurer

How long have you been a Board member?

This is my 4th year on the BCP Board.

What is your favorite thing about Brompton?

My favorite part of Brompton is the small community type feeling we have. I have made many friendships at Brompton over the years. I truly feel my kids are in a safe learning environment while attending Brompton.

Favorite Food:

My favorite food is pizza. I could eat it every day.

Fun Fact About You:

Many people who know me are aware that I am a roller coaster junkie. The family lives at Six Flags Great America over the summer months.

Hobbies:

I really do not have any true hobbies. I would say that I like to spend most of my spare time hanging out with the family.
