# A note from the principal

## School Report Card

Words cannot express the gratitude that I have right now as I share this outstanding school report card with all of you. Last year, like every year, was a team effort to prepare our students for the ever changing world they live in. Together, our staff, students, parents, district administrators along with support staff, our school BCP Executive Board and our Governance Board members worked tirelessly and achieved!

Our students are not only growing in proficiency, they are becoming better citizens and compassionate leaders. Thank you, Brompton Community, for enrolling your child(ren) at Brompton and for entrusting the staff and I with their education. We have so much to be thankful for. Thank you for making this an outstanding school for our staff and students. I wish all of you a Happy Thanksgiving.

## Thank you to our parent volunteers

I want to express my gratitude on behalf of the staff to our wonderful parent volunteers from Parent Help Days to the Kindergarten monthly themed celebrations including this week's Thanksgiving Feast to the parent facilitators of our clubs and organizations and archery team to our parents on our BCP and Governance Boards, etc. We are fortunate at Brompton to have so many parents willing to help us achieve the many tasks it takes to run a school. Hopefully the upcoming months will be filled with time for you to rest and enjoy with your family. You are all appreciated more than we can repay you.

Thank you for making our Kenosha Dream Playground Book Drive Project and our Stuff the Bus for the Shalom Center Food Drive such wonderful successes. Your generosity continues as you model for our students the Rotary International's mission of Service Above Self.

Happy Thanksgiving!

# Governance Board

# BCP

**Introducing the Board:**  
**Louise Mattioli**

**Favorite Food:** It is amazing how much one's taste changes over time! For years, we were lucky enough to dock our boat in the Kenosha Harbor. My husband would often bring home freshly caught salmon for grilling. I could hardly look at the salmon filets, let alone prepare them for dinner. Now, some twenty-five years later, I crave salmon and regularly

order it when eating out! In general, I enjoy eating all types of fish. I also secretly crave Skinny Pop popcorn - and consider it my favorite snack.

**Fun Fact About You:** I am passionate about creating glass mosaic artwork. I have considered selling some of my creations but fear that this wonderful creative hobby might soon turn into a "job" if I have to meet deadlines! I am also an avid gardener and spend the majority of my summers working in my yard amidst my lovely flowers. This year my husband added a raised vegetable garden and we have really enjoyed eating delicious tomatoes, cucumbers, peppers and eggplant.

**Hobbies:** I enjoy attending Milwaukee Admiral Ice Hockey games and love to watch the talented Chicago Blackhawks. Of course, winter, spring, summer or fall, I adore shopping!

**Job on the Board:** I am the Board Secretary and I continue to learn how I can best serve Brompton and its wonderful students and staff..

**How long have you been a Board member?:** I am currently beginning my second two year term on the Board..

What is your favorite part about serving on the Brompton Governance Board?: I used to oversee Brompton when a KUSD administrator. I am really impressed with the progress administration and staff have made overtime as a result of hard work and ongoing professional development. It is a joy to observe classrooms and I love hearing about the progress Brompton students are consistently making. I am honored to serve on the Brompton Governance Board with a group of interesting and extremely talented people. I currently serve on several local boards and find the Brompton to be the most professional, focused and hard working!

Effective this past Tuesday, November 21, Tabatha Otto resigned from her position as secretary, as her family has left Brompton. Her resignation leaves TWO open positions on the BCP Executive Board (secretary and vice president) Please think if you or someone you know might be a good fit and consider nominating them at our next Parent Meeting on January 22. While we can still function as a board with these openings, we KNOW we can run more effectively and better serve the students of Brompton with a full Executive Board in place. The duties and responsibilities of each position are fully outlined in the BCP bylaws (located on the BCP tab on the Brompton webpage) or, as always, you are welcome to direct any questions you may have regarding these positions to any member of the board, or by emailing us directly at [bromptoncommunitypartnership@gmail.com](mailto:bromptoncommunitypartnership@gmail.com).

Mark your calendars! Our November Restaurant Night will be at Chipotle on Tuesday, November 28. **Chipotle graciously gives back 50% of all Brompton sales** that evening between 4 - 8 pm. Take the night off from cooking.. and invite your friends! Just mention Brompton when ordering!

Our annual BCP Spaghetti Dinner will be held at the Parkway Chateau on Friday, February 23 from 6-8 pm. We have some exciting events planned- including a performance by our middle school band and orchestra students and our large auction will be held that night as well!

We are looking forward to sharing the evening with all of you and your families... and are hoping that this will be our biggest and best Spaghetti Dinner to date! With that said, **we would LOVE your help!** **The first meeting of our Spaghetti Dinner Planning Committee will meet on Wednesday, November 29 at 6pm in the Brompton Cafeteria.** The main purpose of this meeting is to begin organization of solicitation for auction item donations from local businesses. If any Brompton families have business or corporate "connections" and are willing to request a tax-deductible donation (goods, services, or monetary donations) on behalf of the BCP, we are certainly appreciative and can provide any needed information or paperwork- just ask! Thanks again and hope to see many of you on the 29th to start planning!
