New Business:

Vigeo Media Presentation:

The meeting began with a presentation from Mr. Matt Serpe from Vigeo Media. Mr. Serpe explained that Vigeo Media is a community rewards program that has over 100 participating businesses that give back to the community. Participants elect to select Brompton as their fundraising option. When you purchase something at a participating business, a portion of the purchase goes back to the school, and a cash back award goes back to you, the purchaser. To sign up, please visit: kenoshanews.com/vigeo. This fund raising program does not require us to sell anything!

Student Council Presentation:

Brompton Student Council President, Gabi Wellman, and Student Council member, Beth Fosbrook, presented the board with their idea to raise money for Multiple Sclerosis. The Brompton Student Council would like to hold an MS walk in late April or May. The students have various ideas for the event, including the use of the black top for the walk, various craft booths or game stations along the route, a bounce house, face painting, flower planting, and others. Parent volunteers will be needed; there is also the possibility of soliciting help from NJHS members at Tremper High School. Angela Cleland stated that the BCP would be able to offer assistance; she will meet with Brompton Student Council and Mrs. Crawford to solidify the details. Student Council was asked to come up with a goal for the amount of money they would like to raise.
