The KUSD District recognizes that with the implementation of the One to One Laptop Program there is a need to protect the investment by both the District and the Student/Parent. The following outlines the various areas of protection: warranty, accidental damage and insurance.

### Dell Warranty:

**INSURANCE FOR THEFT, LOSS OR FIRE:** Laptops that are stolen, lost or damaged by liquid, blunt force, drops, and fire are not covered by Dell outlined above. Following are the options that are available for these types of losses.

No insurance – You agree to pay for the replacement of the laptop at a cost not to exceed \$700.00 (replacement cost).

Personal Insurance – You will cover the laptop under your own insurance policy, and in the case of a theft, loss or accidental damage, you agree to pay the Brompton school the amount received from your insurance company plus any additional amount needed to cover the laptop replacement not to exceed \$700.00.

**ADDITIONAL INFORMATION:** In cases of theft, vandalism and other criminal acts, a police report, or in the case of fire, a fire report must be filed by the student or parent. A copy of the police/fire report must be provided to the office. The \$700.00 charge is the responsibility of the student/parent and must be paid before the laptop can be repaired or replaced.
