Principal's Message

Our big fundraiser may be done, but the year is far from over! The BCP has some wonderful events coming up in the next few weeks. Please mark your calendars!

Spaghetti Dinner

Thank you to Sarah, Billy, Elizabeth, Christina and Amy for the best and highest attended Spaghetti Dinner. Thank you also to their spouses and children who worked very hard the past few months. Their children spent their day off of school helping with moving baskets, setting up and final preparations for the evening event. You outdid yourselves. Great evening of school community engagement. I am positive that you exceeded your budgeted goals. I can't say that I am surprised.

Thank you to all of the families who supported the night with donations, ticket sales to friends and family and for pushing the bids up on the sheets. Your generosity is noted and greatly appreciated.

Thank you, Emily and Angela for the beautiful artwork and entertainment. The birthday song was a special surprise. It surely meant a lot. Thank you again.

Summer School

Thank you to the 31 students who have already registered for the 1st Annual Brompton Summer School. There are still plenty of spots left for more students. Students will be able to wear casual clothes for classes. I am moving the registration deadline up to March 30, 2018. We need to have staff in place and start working on curriculum planning. Please use the summer school registration link on the main page of our website. Thank you for partnering with us to improve student achievement.

Online Registration

Use the online registration link on our website to update your demographic information. We are encouraging families to begin this process early. Registration is open. Fees will be approved this summer and can be paid through the online registration as well. Fees are to be paid by September 1, 2018. Online registration is to be completed prior to the first day of school.

I hope everyone has a wonderful weekend. Think Spring!

- **Monday, March 12: BCP Meeting** As always, the meeting will begin promptly at 6pm in the Brompton cafeteria. Free childcare is provided. This meeting we will discuss upcoming social events (Father/Daughter dance, movie night, possible Mom's Night Out), final Spaghetti Dinner numbers will be shared, and voting for secretary position will take place. Please note that nominations for Vice President are still being accepted as well. Hope to see many familiar faces at this meeting!

- **Friday, March 16: Movie Night** We will be showing Disney's Coco- beginning at 6pm in the Brompton Cafeteria. Admission (and popcorn!) are free- but pizza, chips, soda and candy are available for purchase. Hope to see you there!

- **Tuesday, March 20: Dueling Restaurant**

Night You choose your favorite- both are helping support Brompton that evening! Stop in to either MOD Pizza or Potbelly Subs in Pleasant Prairie between 4 - 8 pm. A percentage of all Brompton sales will be donated back to the BCP... be sure to tell your friends and family!

- **Friday, May 4: Father/Daughter(s) Dance** More information will be coming home in upcoming weeks... but please mark your calendar! **Any parent interested in helping plan this event please contact Christina Scarbalis (scizzorhappy4@gmail.com)** We'd love to have a small committee of parents on board helping with this event...Your ideas and suggestions are always welcome!

The 7 Habits of Highly Effective People... Leader in Me

Habit 7: Sharpen the Saw – “Balance is Best.”

I take care of my body by eating right, exercising, and getting sleep. I spend time with family and friends. I learn in lots of ways and lots of places, not just at school. I take time to find meaningful ways to help others.

What does this look like for students at school?

I find books in the library to learn more about topics I’m interested in.
I make healthy choices at lunch and choose fruits and vegetables over sweets.
I am actively engaged in physical activity during gym class and recess.
I support my classmates when they are struggling with an activity or having a bad day.

What does this look like for students at home and in the community?

I balance watching television with reading.
I find ways to volunteer at my church or another organization in my neighborhood.
I go to bed at the proper time to make sure I get enough sleep.
I write in a journal or diary.
I spend time outside riding my bike, playing sports, or learning about nature.
