Principal's Message

BCP Teacher Appreciation

Thank you to the wonderful BCP Executive Board and all of the school parents for making this week such a special week for the teachers and myself. You have gone over the top with lunch, flowers, gift cards, etc. We feel so appreciated. Thank you for making every day a great day at Brompton. We are so fortunate to have all of you in our school community. Thank you for all that you do each and every day for our students, our staff and our families.

Washington D.C.

I want to thank our chaperones and our students who attended the Washington D.C. trip this past week. We visited many places in our three short days. Our students were respectful everywhere we went and with everyone we met. I am so proud of the citizenship they displayed at the National Monuments, inside the restaurants and hotel and inside the Smithsonians. Parents and staff, you have done a wonderful job instilling these skills in our students. We had a fabulous trip. We will miss our 8th grade students, but we have many more years of wonderful trips to D.C. to take with the incredible students moving up in the grade levels. I am already excited about next year's trip to Washington D.C.

Father/Daughter Dance

Thank you, Christina Scarbalis and her incredible team of parents, for all of the time and talent you shared with our girls and their special guest (Father, Uncle, Grandfather, etc.) at the Father/Daughter Dance this past Friday. The pictures were

beautiful, but I am sure they did not capture the ambiance that you created. Events like this one are the special times that our girls will remember for years. Thank you for all of the extra things that you provide to our students each and every day.

Volunteers

Thank you to all of the parents who spend time out of their busy days volunteering as field trip chaperones, working during Parent Help Days, facilitating our Clubs and Organizations, coaching our students in NASP archery, guiding our students in Girls Scouts and Boy Scouts and helping in classrooms, along with all of the other work behind the scenes. Thank you for providing the extra activities that allow our students to find their strengths, as well as, skills and talents.

I want to wish all of our Brompton moms and staff members a wonderful Mother's Day. You are very special to all of us. I hope you spend the day celebrating.

BCP

Do you have a special talent or skill that YOU would like to share with our Brompton students? (Photography? School Newspaper? Friendship Club? Drama? Music? Dance?) Have YOU thought about starting a club of your own? We are at risk of losing many of these great opportunities for our children without parent volunteers stepping up to help! If you have any questions or want more information about helping, please reach out to any member of the BCP Executive Board! Thank you!

Just a reminder that we are still accepting nominations for the THREE open positions on the BCP Executive Board, with the hopes of electing parents into these roles at our next parent meeting in May. ***If you know someone who you think would be a good fit- or are interested yourself- please let us know!*** We would LOVE to end the year with a full and complete board in place!!! The duties and responsibilities of each of these positions are outlined in the BCP bylaws on the Brompton webpage. The open positions are as follows:

- Vice President (2 year term)
- Treasurer (2 year term)
- Fundraising Chair (1 year term)
